Mr. Greenberg

- 16 years in Education
- Finishing my 8th year at Mesa
- Majored in Music Education
- Masters in Instrumental Conducting

Personal Awards:

- Mesa Teacher of the Year
- District Teacher of the Year

I have two kids (Miles and Ella) and an incredible wife (Rebecca).

My promise to you is that I will be as transparent as possible. I will communicate regularly with you and keep you updated as things change. I will push your students harder to become great humans and performers. I will do everything I can to keep them safe and will create an environment that is safe and welcoming.

We all want to welcome you to the Performance Corps family.

Parent Group

The Murrieta Mesa High School Performance Corps doesn't happen without a lot of hard work, and our students cannot do it on their own. They need support, both financially and physically, as they travel to performances and competitions; raise money to cover expenses for music, coaching, and transportation; and practice for each award winning performance. The "Parent Group" is a group of parents that come together to help the performers create a successful season. The Parent Group's job is to provide the support our students need, whether it's helping to build field show props or leading a fundraising effort to offset travel and coaching costs. The students need our help, and we need your help.

Every parent or guardian with a student in the Performance Corps is automatically in the group. So make a point to come out and join the fun! Each year is full of opportunities to show your support, and WE NEED YOU THERE! Plus, don't forget our monthly meetings, where we plan all the fun and opportunities to share. JOIN US.

\$600-Marching Band Member

We receive minimal dollars from the district to support this activity.
We are a school sponsored, not fully funded, activity.
We are asking families to make a donation for the cost of their student.
Whatever families are not able to donate, we as a booster organization fund-raise.

Inability to donate does not affect ability to participate in the activity.
BUT the lack of donations, will limit what the whole group can do.

You can make donations by check, paypal, credit card or cash.
All donations are tax deductible because the boosters are a 501(c)(3).
We are also very happy to take installments, \$600 is a big deal to most families, we understand that.
